As an entry level web developer, I'm eager to find a job where I can use my coding and design skills. I know both front-end and back-end technologies well and can create websites and web applications that are user-friendly and look great. My goal is to make digital experiences that meet both user needs and business goals. I'm excited to take on new challenges learn many new techniques, and work with others who share my passion for web development.

Authorized to work in the US for any employer

Work Experience

Assistant Manager
RIALTO CINEMAS - El Cerrito, CA
May 2021 to July 2023

Served food and alcohol, Resolved customer issues to their overall satisfaction. Wrote reports and counted money (safe, tills, deposits) daily. Did inventory counts monthly, and made orders for beer and wine. Helped Verify employee schedules. I ran shifts and delegates duties to the staff. Worked with my fellow managers to upkeep the operations of the theater.

Stocker
Grocery Outlet - Richmond, CA
August 2018 to June 2019

Operated manual pallet jacks, safely relocating heavy merchandise on sales floor for timely stocking.
Evaluated supplies and product inventory to check for quality and quantity issues and returned unacceptable materials to vendors.
Moved and lifted heavy loads of merchandise using pallet jack equipment.
Removed all debris and packaging from boxes and separated for recycling or disposal.
Consistently lifted materials weighing as much as 50 pounds.
Collaborated with backroom and receiving team, working night shifts to support inventory fulfillment goals.
